WORK EXPERIENCE

Content & Event Programming Coordinator – Chain of Events, Paris, France January – July 2026

- Programmed the speaker lineup for Paris Blockchain Week (7,500 attendees), RAISE Summit and MACHINA (RAISE Week, 15,000+ attendees), with speakers from BlackRock, J.P. Morgan and NVIDIA.
- Designed session content with industry experts in weekly working sessions, validating panel titles and descriptions against market trends, and mapped 80+ sessions across three stages to balance flow.
- Managed the speaker journey for 320+ C-level speakers, from first invitation to post-event follow-up, and aligned moderators and panelists on discussion points through preparatory calls.
- Coordinated the run of show with tech, MCs and operations, tracking speaker arrivals and managing backstage transitions in real time to keep sessions on schedule.

PR & Events Director's Assistant – Mercure Digital, Nantes, France January – May 2025

- Managed media relations for two product launches (MOVA – Berlin & Segway Navimow – Chantilly), coordinating 229 international journalists and influencers, travel and on-site logistics.
- Created 5 monthly international PR reports, compiling global activity, media coverage analysis and best-of clippings into client-ready insights for strategic decisions.
- Prepared press materials and launch communications supporting client product launches.

Sales & Administrative Assistant – Wemoove, Nantes, France January – March 2024

- Managed sales across 4 platforms, coordinating clients and suppliers to streamline delivery operations.
- Performed financial reconciliation of 3 months of bank statements, 45+ sales files and expenses.

ORGANIZATION EXPERIENCE

Head of Marketing – BDI (International Student Association), Nantes, France Dec 2023 – Dec 2025

Led end-to-end marketing campaigns for weekly student events, creating content, scheduling posts and targeting audiences online and on campus. Built partnerships with local venues to bring students together each week and produced a viral post reaching 1.3M views.
